IMPORTANT: Two Purchase Orders are required to complete a loafing shed order – one for Frame Item/Model No. (P.O. #1) and the other for Siding/Roof/Trim Sheet Metal Item/Model No. (P.O. #2). If different colors other than one of the eight pre-selected combinations are requested, clearly indicate the selected colors for "SIDING" and "ROOF & TRIM" on the order. The frame and sheet metal packages will ship and deliver separately to the store.
